==========JAZZ 78 RPMs
https://archive.org/details/georgeblood?query=Stan+Getz

153 Stan Getz 78 RPMs , such as this oddly-titled number:

https://archive.org/details/78_diaper-pin_stan-getz-quartet-al-haig-clyde-lombardi-charlie-perry-jimmy-rainey-stan_gbia0244219b

https://archive.org/search.php?query=creator%3A%22STAN+GETZ+QUARTET%22&and%5B%5D=collection%3A%2278rpm%22&sort=-publicdate
Pulls up 45 78's just by Getz's Quartet.

---

https://archive.org/details/georgeblood?query=Duke+Ellington
1740 results, not all featuring Ellington himself; you need to be more specific in your search, i.e.:

https://archive.org/search.php?query=creator%3A%22Duke+Ellington+and+his+Orchestra%22&and%5B%5D=collection%3A%2278rpm%22&sort=-publicdate

Duke Ellington and his Orchestra, then clicking on the Collection option '78 RPMs and Cylinder Recordings', which narrows it down to 448 records. If you want a specific year, like 1951, you'll get 12 sides:

https://archive.org/search.php?query=creator%3A%22Duke+Ellington+and+his+Orchestra%22&and[]=collection%3A%2278rpm%22&sort=-publicdate&and[]=year%3A%221951%22

Each page only gives you one song; the B-side will be on a separate, linked page. Only albums of that period have all songs included on one page, such as:

https://archive.org/details/78_a-duke-ellington-panorama_duke-ellington-and-his-famous-orchestra-ellington-miley-d_gbia0003362

pulls up a specific track, here Frankie and Johnnie, from another album

Immigration Equality - GLBT immigration support based in NYC
What We Do
For over 25 years, we have worked to secure safe haven, freedom, and equality for the LGBTQ and HIV-positive communities. Through direct legal services, policy advocacy, and impact litigation, we support immigrants who face discrimination based on who they are and whom they love.
Immigration Equality is leading the effort to end discrimination in U.S. immigration law. We strive to reduce its negative impact on the lives of LGBTQ and HIV-positive people. Every day, we work to obtain asylum for those persecuted in their home countries based on their sexual orientation, transgender identity, or HIV-status.
